CORPORATION OF THE CITY OF BANGALORE,

C.M. 42-54-55

The Secretary to Government of Mysore,
Education and L S G Departments,
Bangalore

SIR,

I write to state that the present Car of the Mayor (Ford Mercury) was purchased before 7 years by the erstwhile Bangalore City Municipality and it has run more than 2 lakhs of miles Almost all parts of the Car including the Engine are worn-out and cannot be repaired at an easy cost Several firms were addressed to quote their estimates for repairs and replacement of the worn-out parts They have quoted the cost between Rs 4,650/- to Rs.5,710/- Even, if the Car is repaired, the repairs stand for a few days and again the Car gives trouble almost every day The matter was therefore placed before the Corporation, who at their meeting held on 21-12-1954 resolved that a new Car may be purchased for the use of Mayor, at a cost not exceeding Rs.20,000/- instead of repairing the present Car in the circumstances explained above

Necessary provision viz , Rs.20,000/- for the purchase of a new Car has been made in the Revised Budget The existing Car will be auctioned and the proceeds credited to Corporation funds

As per the resolution of the Corporation, quotations were called for from Messrs Addison & Co , George Oakes and others and the lowest quotation of Messrs Addison & Co , for a Dodge Kingsway Deluxe Sedan for Rs.15,816-10-0 + Delivery charge of Rs.350/- from Bombay + Sales Tax etc , was accepted and the Car purchased, as it was stated that this model was the only available Car for a lesser cost in anticipation of the sanction of Government

P t o

(2)

I therefore request you kindly obtain sanction of Government for the purchase of this new Car and to meet the cost from the provision made in the Revised estimate I have requested the Auditor to pass the bill pending sanction of Government in the circumstances stated above

Forwarded with compliments

SIR,

SUBJECT - PURCHASE OF A CAR TO THE MAYOR- CORPORATION OF THE CITY OF BANGALORE

With reference to your letter No L 15278 dated 22nd March 1955, I write to inform you that as this was the only suitable type of car available in the Market and as it was offered at a cheaper cost as compared with cars of similar standard, the order had to be placed urgently, as otherwise the Company would have sold it to some others, if it was not purchased immediately Moreover if this was not purchased, the Corporation would have had to purchase a car of similar standard at a higher cost viz about Rs 20,000 to Rs 22,000/-

As regards para 2 of the above quoted reference I write to inform you that the purchase of the previous car was sanctioned in Government Order No L 13880-M1-10-47-54 dated 24th February 1948
